

DRIVEN BY AIR.

Oil Free Compressors

Offers a robust, reliable, and quieter solution for both trade and DIY workshop applications.

Recommended for where oil contamination would present a risk, PCL's oil-free air compressors are a handy and versatile piece of kit.

Suitable for a variety of applications, from professional jobs in a trade workshop to DIY projects at home, these compact units are lightweight and easy to move around, making them ideal for use in limited spaces.

Fitted with genuine PCL couplings as standard, these compressors integrate easily into existing setups.

Ideal for powering spray guns, air tools and a wide range of accessories for inflating, cleaning, blowing as well as stapling and nailing.

A HORNGROUP BRAND

DRIVEN BY AIR.

Simple push on/off button start

User friendly with clear, easy to read pressure gauges

Low noise @ 72 dBa

Lightweight - Can be easily moved around the workshop. Larger 24 litre model comes with two wheels

Oil free for low maintenance

Fitted with genuine PCL Airflow Couplings on the outlet

Compact design, suitable for tight spaces

9 Litre Oil Free Compressor

Part Number	CMS090F
Air Receiver	9 litre
Air Displacement	106 l/min 3.7 cfm
Voltage / Phase	230 v / 50 Hz / Single
Motor	0.8HP 0.55 KW 1,440 RPM
Max Working Pressure	8 bar 116 psi
Sound Pressure Level	72 dBa
Dimensions	50 x 20 x 51 cm
Weight	16 kg

24 Litre Oil Free Compressor

Part Number	CMS240F
Air Receiver	24 litre
Air Displacement	138 l/min 4.8 cfm
Voltage / Phase	230 v / 50 Hz / Single
Motor	1HP 0.75 KW 1,440 RPM
Max Working Pressure	8 bar 116 psi
Sound Pressure Level	72 dBa
Dimensions	59 x 28 x 60 cm
Weight	23 kg

PCLDAT087 V1

PCL is the world leader in the design and manufacture of tyre inflation and compressed air products.
